WHAT MAKES WASH IT YOUR IDEAL PARTNER?

It's simple: We understand that when you have the facts—all the facts—there's no limit to what you can accomplish with your business. Our intuitive interface and easy-to-use tools, including a dashboard to see all the aspects of your business, gives you maximum oversight which, in turn, leads to maximum efficiency, and of course, maximum profit.

WASH IT DASHBOARD

- Interactive dashboards that show revenue, turns per day and a host of other values.
- Exportable Excel stats of the machines usage and performance for further analysis.
- Customizable date range to allow view by day, week, month, etc.
- Reset washing and drying machines if they are blocked.
- Manage the lights, fences and more, if they have been connected to the gateway device.

FOR YOUR CUSTOMERS THE WASH IT APP BY PRIMUS

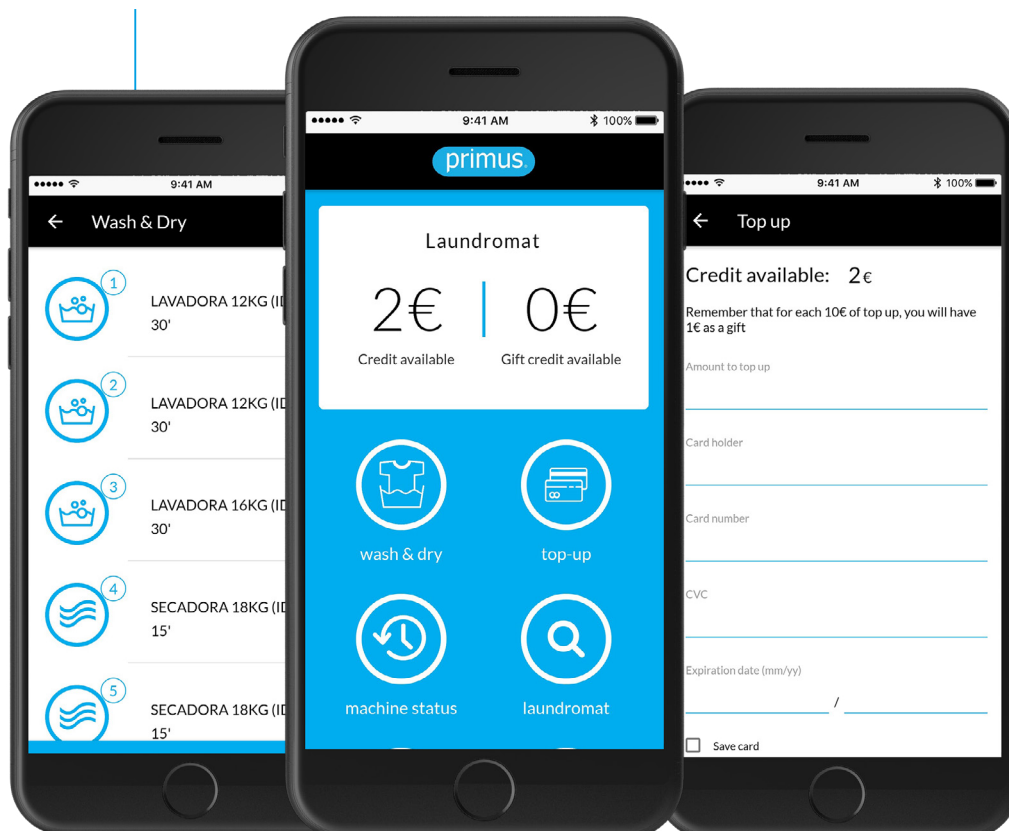

In addition to resolving incidents immediately and oversight your business from anywhere, our Wash it Digital Laundromat Solution comes with an app for your customers. The WASH IT app by Primus will let your customers enjoy rewards, load and manage their laundry credit from the comfort of their smartphone.

BENEFITS OF THE WASH IT APP BY PRIMUS:

- Pay by card using the WASH IT app.
- Show the available washers and dryers and choose the cycle.
- Send notifications about promotions and events.
- Receive suggestions and comments about the experience of your customers in your laundromat.

WASH & DRY

Selection of machines to wash and dry with full detail of duration and cost per cycle
