Promotional Guidelines

Promotional Period:

Starting date is May 6, 2021. Product must be ordered by **August 20, 2021** and shipped by **September 30, 2021**.

These are the items that must be submitted to receive this promotion:

- Order confirmation from the customer care team
- Submission of this form via email only to sales-out@alliancels.cz
- An order acknowledgment to your customer with a separate line item clearly marking the discount being fully applied to the customer.
- After your customer takes possession of the equipment, you must submit the final invoice to sales-out@alliancels.cz within 5 days. If not completed in due time, the promotion no longer applies, and the amount of the cancelled discount shall be invoiced.

Orders will always be shipped as soon as ready from manufacturing or stock, and no later than September 30, 2021.

**** This can NOT be combined with any other promotional allowance ****

****This promotion is available for Europe region only, please consult your distributor or send a mail at sales-out@alliancels.cz to confirm availability. ****

Promotional orders received after August 20, 2021 will be denied.

Example of discount: FX240 OPL PACK 11 electric heating

- Public List price FX240 OPL with Pack 11 with electric heating (507 €) is 15.916€.
- Apply the 1000 € promotional discount for FX240 gives a new gross price of 14.916.
- Apply the distributor discount of 40% which gives a net price 8.949,60 €.
