

STRIPE INTEGRATED PAYMENT PROCESSING FOR PRIMUS

PRIMUS® has partnered with Stripe® to enable seamless payment processing integration with your i-Trace® payment system. Offering mobile payment through the PRIMUS App, while remaining PCI-compliant.

STRIPE, THE BEST PARTNER TO SAFELY ACCEPT APP PAYMENTS

Stripe is a payment solution that allows you to accept payments directly into your i-Trace® app in a fully secured environment. As Stripe is PCI-DSS compliant, your customers' bank details and yours are safely encrypted. Your customers will load money into the app with their credit card, and you will receive the money on your bank account within a few days.

COST

1.4% + 0,25€ / transaction for European cards

2.9% + 0,25 € / transaction for foreign cards (outside EU)

SECURE SUITE OF PAYMENT SOLUTIONS:

- Built-in secure solutions including PCI compliance, data breach protection, fraud detection and encryption
- Seamless on-boarding through online portal
- First-class customer support that's available 24/7/365

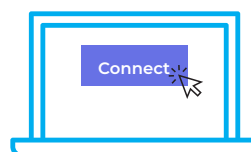

EASY AND FAST TO SIGN UP:

1 When the distributor will be **setting up the i-Trace® Solution** in your laundromat, he will send you an e-mail with the **link to create your Stripe account**. It is important to use this link, to automatically connect i-Trace® and Stripe afterward

2 Click on the link, and fill in your company details and bank account*

3 Once you filled in the bank account details, **click on the button "Authorize access to this account"**, and your Stripe account will be automatically connected to your i-Trace® dashboard.

To learn more, please contact your distributor.

*Note: Some fields will be automatically filled in, please make sure you fill in all other mandatory fields.
